2008 – 2009 Guide to Senior-Level Women Leaders in International Affairs: The U.S. and Abroad

Each year, the Women's Foreign Policy Group (WFPG) publishes its *Guide to Senior-Level Women Leaders in International Affairs: the U.S. and Abroad* for distribution to the organization's members and the public to highlight the voices of women around the world and the role that they play as leaders, diplomats, and policymakers.

The guide contains an index of women in international affairs including: Heads of State and Government, Government Ministers, U.S. Women Officials and Diplomats, Women in International Organizations, and Women Representatives to the U.S. and the UN.

The WFPG is an independent, nonpartisan, nonprofit, educational membership organization that promotes global engagement and the leadership, visibility and participation of women in international affairs.
