US Rice: Major Powers To Consult Again Tuesday On Iran - AFP

WASHINGTON (AFP)--Senior officials of the major world powers will hold new telephone consultations Tuesday on Iran's nuclear program, U.S. Secretary of State Condoleezza Rice said Monday.

Rice, speaking to a **women's foreign policy group** here, said the political directors of the five permanent members of the U.N. Security Council, plus Germany, would hold a teleconference on Iran.

She said Nicholas Burns, undersecretary of state for political affairs, would represent Washington in the consultations, which also will include, Russia, China, the U.K. and France.
